

Practical expertise. Tailored support. Real results. Ready to go.

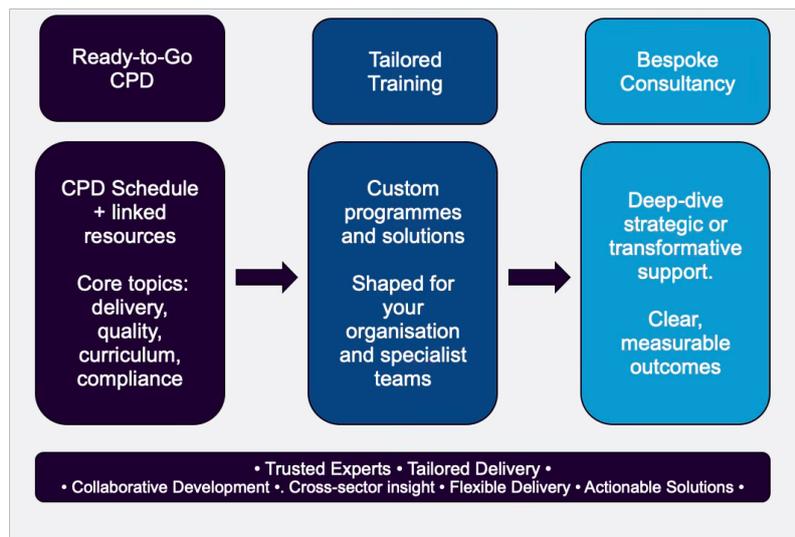

UVAC Plus is a specialist consultancy service from the University Vocational Awards Council (UVAC).

Building on a 27 year track record as sector leaders and experts, **UVAC Plus** has been designed to provide targeted, high-impact support to universities, further and higher education providers, colleges, independent training providers and employers who are delivering or developing apprenticeship, vocational and workplace learning programmes.

From short CPD sessions to fully bespoke consultancy, **UVAC Plus** brings together trusted expertise and hands-on experience to help organisations strengthen strategy, delivery and impact across the skills system. We offer the insight, experience and practical help to fit your requirements.

Our Services

UVAC Plus offers a flexible and tailored approach to consultancy and professional development, built around three complementary pillars of support - all scalable and designed for impact.

Ready-to-Go CPD and Training

Providing scheduled sessions, you can book onto individually, and 'ready-made' short courses and workshops delivered to your organisation. Covering core topics such as:

- Employer engagement and partnership management
- The learner journey – onboarding to teaching, tripartite reviews to authentic assessment, apprenticeship and end point assessment
- Curriculum design and mapping
- Apprenticeship quality and Ofsted preparation (including new EIF from 2025)
- Compliance, funding rules and audit readiness
- Strategy, growth, leadership, governance,

Delivered live online or face to face, providing a straightforward and cost-effective solution - learning modules available when you need them, easily adaptable and buildable for seamless delivery.

Cont. over

Tailored Training and Development

These provide bespoke programmes blending UVAC content with your specific needs and organisational context, whether that is organisation wide or for a particular team, such as:

- Academic and professional staff new to apprenticeship delivery
- Progress reviewers and workplace coaches
- Quality, data, admissions and other central services/support such as your learning team
- Governors, senior leaders and employer partners

Fully Bespoke Consultancy

Comprehensive consultancy for your organisation requiring deeper analysis or transformational support. Programmes are designed with you to provide maximum impact with clear measurable outcomes for implementation and delivery.

Why Choose UVAC Plus?

- **We are independent, trusted experts** – led by UVAC, a leading authority in skills and work-based learning and higher level vocational learning.
- **We provide breadth and depth of experience** – consultants with sector leading specialist expertise covering varied backgrounds from higher education to FE, independent training and employer-led provision.
- **We have sector-leading insight** – we translate complex policy and reforms into clear, actionable solutions.
- **We are direct, approachable challenging support** – we are enablers of change.
- **We tailor to your context** – every engagement is scoped individually, ensuring the right consultant for your subject, sector and goals.
- **We work flexibly through value added models** – from ready-made resources and CPD to fully bespoke project support, designed to suit your budget needs
